INTERVIEW SUMMARY, COMMENTS ON EXAMINER'S REASONS FOR  
ALLOWANCE, AND RESPONSE TO NOTICE OF ALLOWANCE OF AUGUST 10, 2010

Applicants' representative thanks Examiner Long for the courtesy of a telephone interview on July 13, 2010 and acknowledges the Interview Summary mailed on August 10, 2010. During the interview, Examiner Long proposed certain claim amendments, and applicants' representative authorized the Examiner's amendment of claim 32 that is described on pages 4 and 5 of the Notice of Allowance. Applicants' representative also authorized the cancellation of claims 61 and 62 without prejudice or disclaimer.

Applicants recognize that in accordance with M.P.E.P. § 1302.14, the Examiner's reasons for allowance need not set forth all of the details as to why the claims are allowed. In the above-referenced application, applicants do not concede that the Examiner's stated reasons for allowance are the only reasons for which the claims are allowable. In particular, applicants do not concede that the identified limitations are necessary to distinguish the prior art of record or to satisfy the requirements of 35 U.S.C. § 112. Furthermore, the claims may be patentable for other reasons. In addition, dependent claims 33, 38, 42, 43, 60, and 63 are allowable on their own merits, and are allowable on the basis of a sub-combination of the recited features of the dependent claim and its respective base claim.

In response to the Notice of Allowance mailed August 10, 2010, attached is a completed issue fee transmittal form PTOL-85b. The fees in the amount of \$1055 for the issue fee (\$755) and publication fee (\$300) are being paid concurrently herewith on the Electronic Filing System
